

Please help us...help the children

Clothes for Kids is a community exchange program for families in need.

Clean, usable clothing is donated by the community. It is then sorted by volunteers and displayed for families to shop for their children just as though they were shopping at a department store, but without the price tags...everything is free of charge!

Last year hundreds of children received school supplies through our back-to-school program.

Clothes for Kids is located at 1019 South Spring Street in Beaver Dam.

Hours: Call 920-887-7308 to set up appointment.

Learn more about our programs at: www.clothesforkidsprogram.org or facebook@ClothesForKidsProgram.

We invite you to come see how our program works...we love visitors and new volunteers are always welcome!
